THE HISTORY OF THE

OF THE

The first part of the history of the world is the history of the human race. It is a history of progress and of the struggle for existence. It is a history of the triumph of the good over the evil, and of the victory of the just over the unjust. It is a history of the growth of the human mind, and of the development of the human soul. It is a history of the progress of the human race, and of the struggle for the betterment of the human condition.
